## **NEWSLETTER No 2**

### **2024 Beatson's Building Supplies Jim Clark Rally**

Under six weeks to go and it's all coming together. With a full entry for both the Jim Clark Rally (Friday – Saturday) and the Reivers on the Sunday its looking like a good weekend.

Thanks to all of you that have already volunteered to assist with the event. Without you, there will be no rally. It's as simple as that.

There are still a large number of marshalling opportunities across the event – the stages (three on Friday, four on Saturday and three on Sunday all run twice); the start / finish, and the Service Area near the town all need to be covered. And not forgetting the shakedown, near Duns, on Friday morning.

Whether you are an in-stage spectator marshal, specialise in timing or are a Motorsport UK Licenced Radio operator, we need you all. If you are available to assist, and have not already done so, can you please register as soon as possible. We won't turn down any further offers of assistance so if you have a fellow Club member, friend, or bidie-in that has nothing to do from 24 – 26 May bring them along. If they are available to assist, please register them through Rally Stage Team at [www.rallystageteam.co.uk](http://www.rallystageteam.co.uk) or let your preferred Stage Commander know.

All Signed on volunteers will receive:

- £10 Sainsbury Gift Voucher for each day marshalled.
- Free Camping (details to follow)
- Discount on food from Blackadder Mini Market and Deli
- Entry into the A S Performance North of England Tarmacadam Championship end of year marshal's draw
- Entry into a Marshal's prize draw.

All marshals will also be entered into a Marshals Prize Draw, prizes which include:

### Start / Finish / Re-Groups – Duns Town Centre

Duns Town Centre will be alive with rally cars throughout the weekend with Ceremonial Starts, mid-event Re-Groups, End of Legs and the traditional champagne spray Finish all taking place in the heart of Market Square.

During the event, a big screen will relay live coverage and results to keep rally followers happy. The town has lots of places to get snacks, meals, and other hot and cold food, so no excuses for not popping in.

It's free to view in the Square – please park in the local public car parks.

### Preview Day

Want to meet Bobby Beatson? Then come along to the Rally Preview Day on Saturday 27 April in the Market Square. As well as Bobby and a range of Rally Cars there will be a display from our Charity Partner for 2024 and bookings permitting, a chance to see the

equipment on board a Rescue Unit. Members of the Organising Team will also be on hand to answer any questions about the event including the route.
