

Scottish Motorsport Marshals Club

WE'RE NOT JUST CLOSE TO THE ACTION
... WE'RE PART OF IT!

Safety Radio

SMMC is the only Club in Scotland that's dedicated to all four-wheel motorsport disciplines.

We have been providing marshalling and other safety services to motorsport events for nearly 50 years.

Our volunteer membership has evolved into two main specialist areas - safety radio marshals, and rescue and extrication teams.

Regardless of our individual interests, we all have a common desire to provide a high-quality service to improve the safety of competitors, officials and spectators.

Our **Motorsport Radio Group (MRG)** provides a safety communications service to motorsport events.

For Single or Multi-venue events we can provide:

- **Communications Officer** – coordination and allocation of radio crews on your behalf
- Motorsport UK **Licensed Controllers**
- Motorsport UK Registered **Radio Operators**

We can also provide radio cover for media / shakedown days ahead of the actual event.

We are licensed and authorised to use all the approved Motorsport UK safety and medical radio frequencies.
